Every child one voice

Henry B. Burkland PTA Membership Form

“The PTA is a volunteer organization made up of parents, teachers and community members who work with the Middleborough Public Elementary Schools to promote family and community engagement in education. The PTA develops and funds programs and activities that support and enrich student learning and success.”

When PTA gets involved, children benefit. When you get involved with the PTA, the child who benefits most is your own. We hope that you can join us. We welcome any, and all, participation; give as much time and energy as you can and are comfortable with.
